

## Drinking at Football Games

The consumption of alcoholic beverages, at the football field in Wilmington has become the subject of an Open Letter from the Superintendent of Schools of Wilmington, representing himself and the Wilmington School Committee.

Walter Pierce, Superintendent of Schools, and the School Committee are determined that the consumption of alcoholic beverages shall stop, and they have the whole hearted co-operation of the

Wilmington Police Department behind them.

Mr. Pierce, in his letter, points out that the Town voted specific laws against public drinking in March 1974.

He is asking the cooperation of the people of Wilmington, who attend the sporting events at the high school field, to see that the activities and events be conducted in an atmosphere which is in accordance with School Committee policy.

### The law

Voted: "To amend the Revised By-Laws of the Inhabitants of the Town of Wilmington by adding to Chapter 5, Public Regulations, Section 5, Consumption of Alcoholic Beverages, as follows:

(a) No person shall consume any alcoholic beverage while in or upon any street, public place, public building.

(b) No person shall consume any

alcoholic beverage while in or upon any private land, building, or place without consent of the owner or person in control thereof.

(c) For the purpose of this by-law, alcoholic beverages are as defined in Chapter 138, Section 1, of the General Laws.

(d) Alcoholic beverages being consumed in violation of this by-law shall be seized and held by the Chief of Police until the case is dis-

posed of by courts, after which such beverages shall be returned to the person entitled to their lawful possession.

(e) Whoever violates this by-law shall pay a fine of not to exceed \$10.00 for the first offense and not to exceed \$25.00 for the second offense; and the fine shall be \$50.00 thereafter."

## Planning Board endorses Route 129 Alternative down to four proposals

The quagmire of US Government Environmental Protection was lifted a little, Tuesday night, in the Wilmington Planning Board meeting.

The board was told by a committee of five men, representing the State DPW and a consulting firm (Barnes & Jarnis of Boston) that many of the proposed routes have now been discarded, and that there are only four routes left to consider.

This was after some remarks by member Arthur Harding, former Town Engineer, and selectman Danny Gillis, former Planning Board member.

Harding related briefly how, a few years ago, when opinion was unanimous, they had tried to "get a by-pass of the ground," but couldn't. He had been studying the route for 10 years.

Gillis, speaking of the environmental studies that have engulfed all proposals, related how he had told Professor Elliott, Planner, that "i don't want any part of that stupid thing."

Another remark was made by the chairman, William Hooper, who is against rezoning along a new by-pass. "I don't want to see a new Route One (Newburyport Turnpike)" he said.

Harding said he had his mind made up, as the result of studies he had made while Town Engineer.

The visiting group told the Planning Board that they have arrived at four proposals, out of the approximately 17 that they have been studying.

One of those being endorsed is the old proposal, made 60 odd years ago by A. Chandler Manning, and since proposed by others and Professor Eliot, for convenience called the Cain Highway, because Rep. Fred F. Cain has had a lot of work done, in preparation for such a highway.

The Cain Highway is, in the listing, proposal Number 8, and is to be described as that proposed in the Master Plan of Wilmington. It would run from the new bridge, near Rocco's Restaurant, to a point at the head of Washington Avenue, then down toward Clark Street and the Wildcat Railroad, crossing Church Street near the Post office, and then going behind Cain's garage.

But the terminus would be different, because of the construction of the new shopping mall at

the junction of Routes 129 and 38.

Another of the four proposals is being endorsed for further study - No. 10, which was basically the same as Number 8, the Cain Highway, except that the road would continue easterly, northerly from Lowell Street, to a point where it would join near Route 93.

The first proposal adopted for further study (No. One) is the so-called "no build" - in other words, leave everything as it is at this time.

The last proposal adopted for further study was one called No. 15, in which Lowell Street and Main Street would both be widen-

## School Committee meets October 8

The regular meeting of the Wilmington School Committee scheduled for Wednesday, October 1 has been postponed until Wednesday, October 8.

The meeting will be held in the school committee conference room at 8 p.m.

**YOUNGEST COMMUNITY FUND MARCHER:** If Marcher he can be called, Sunday was Richard DeLucia of Veranda Avenue, two months old. Richard did the entire 12 miles, along with hundreds of other marchers. He was pushed, of course, by older sisters, while his daddy, Mike, pushed Christopher, who is two, and made the march last year.

The young lady at left is Denise, and she too made the marched distance. Denise is eight years old.

## Health fair this Sunday

A Health Fair for the Wilmington area is planned for Sunday, October 5. The Health Fair will be held in the Wilmington High School gymnasium from 1 to 5 p.m. on Sunday. It has been developed by a steering committee which is chaired by Dr. Harold Homefield, director of pupil personnel services. Wilmington school system.

The Health Fair is co-sponsored by the Wilmington school system, the Wilmington Kiwanis Club, the Wilmington Chamber of Commerce, the Board of Health and Town Health Department and the Regional Health Center.

Included in the fair will be a fire and rescue demonstration as well as more than 40 booths with representation from a wide range of health related organizations. Films, pamphlets, screening and refreshments will be provided.

Everyone regardless of where they live is invited to come and raise their "health consciousness."

## Jimmy Fund auction sponsored by police

The Wilmington Police Association is preparing to hold an Auction next month to benefit the Jimmy Fund.

"We now have the opportunity to do our part in helping to wipe out cancer in our lifetime and help alleviate some of the pain and suffering in the children now afflicted," said Officer James Cuoco. "please help make our auction a great success and donate a few sellable items. Anything you no longer have use for - other than clothing - will be appreciated."

All items will be received at the 125 Auction Gallery, or at the police station. Once again, Bob Auer has donated his services and the use of his gallery. The Auction will be held on October 19 at the 125 Auction Gallery, Route 125 at Andover Street, beginning at 1 p.m.

She was a long time member of the First United Baptist Church of Lowell. She is survived by a sister, Mrs. Rollo (Elizabeth) Whitten of West Newton.

Funeral services were held in the Farmer & Dee Funeral Home Wednesday, October 1. Interment was in Edson Cemetery in Lowell.

## Youth suffers eye injuries

A North Wilmington man suffered serious eye injuries, in a 10:45 pm fight outside a gas station.

George Rooney, 20, of Ballardvale Street North Wilmington was taken to the Choate Memorial Hospital in Woburn in a police cruiser. He was later transferred to the Mass. Eye and Ear Infirmary. He was treated and released. It cannot yet be determined if permanent damage was sustained.

Rooney was beaten by two youths who accused him of notifying the police of a burglary at North Wilmington Shell. Police claim to know the identities of the two youths involved in the beating and burglary, as well as that of a third youth who took part in the break.

Inspector Dan Ballou said that it was not Rooney who had notified the police of the Friday night break.

In that break several tires were stolen, as was a sum of money. The tires were recovered on Saturday. They had been hidden nearby.

## Cindy Laquidara receives National Observer Award

Miss Cindy Laquidara, daughter of Mr. and Mrs. Jack Laquidara of 8 Burnap St., Wilmington has been awarded the National Observer Student Achievement Award.

The award, according to Dr. Eisenberg, high school principal, is a respected national academic honors program, available to all colleges and high schools participating in the National Observer Newspaper-in-the Classroom program. It was established by the National Observer in 1974 to recognize with honor students demonstrating academic excellence.

Miss Laquidara was selected by the teachers of Social Studies to represent Wilmington High School in the competition for the award.

## Student records to be destroyed

Wilmington High School Principal George Eisenberg has announced plans to destroy the temporary records of students out of school for more than five years. He has offered former students the opportunity to see their records before they are destroyed.

The program was initiated to comply with the Massachusetts Department of Education's regulations regarding student records. The regulations were set up in accordance with the Buckley Amendment to the U.S. Senate Education Bill of 1974. That amendment grants a student access to his own records and restricts third party access to those records.

Eisenberg said that the records to be destroyed consist of all information other than a student's actual transcript. The material destroyed will include scores from standardized tests, comments from teachers and guidance counsellors, and even a student's rank in the class. Only the record of the marks attained will be saved.

Eisenberg said that the work of

mailing letters to former students is being done largely by a CETA employee. He said that the elimination of many records would result in a considerable saving of space. He estimated the filing cabinet space being freed to have a value of a thousand dollars.

The records will be available to former students for at least another month, Eisenberg said. No records, though, can be given to anyone but the person whose name is on the record. Even a parent would need written permission of the student to gain access to the records.

A secretary in Eisenberg's office said that since the mailing of the letter, a large number of people have come to the school to see their records. She said that traffic is heaviest when people are on their way home from work.

Former students who want to see their records are asked to make an appointment. Appointments can be made with the guidance department secretary, Mrs. Joanne Burke, 658-9011. Questions regarding policy on the records should be directed to Mr. Eisenberg's office, 658-4463.

## Judy Conant & Ray Forest are top tennis singles

The Wilmington Tennis Club ladder season drew to a close on September 14 after 18 weeks of ladder competition.

One hundred and ninety-eight adult and junior club members competed in 328 ladder matches in the seven ladder divisions throughout the 1975 outdoor season.

Ray Forest repeated as mens singles ladder champ for the second year in a row, with Merk Waruszyla, the promising young high school senior finishing a strong second in the mens singles ladder division.

Judy Conant also repeated as the top womens singles performer finishing on the top rung with Vi Taylor as runner-up.

In mens doubles play, Ray Forest and John Braciska copped the first place crown with Dick Bova and Arnie Aprile closing fast to take second place.

Five teams battled right down to the final week for the womens doubles division, with Lois Bova and Joanne Magliozzi taking first place honors with Cathy Murphy and Vi Taylor finishing runners-up. The team of Sally Wild and Gail Webster, always near the top rung,

played well all season, finishing in third place.

George and Vi Taylor were crowned mixed doubles ladder champs for 1975, with Dick and Louis Bova finishing in second place.

Tournament play continues this week in the mixed doubles division. First round and quarter final round matches have been played in both divisions during the week. Semi finals and final round matches are scheduled for this weekend.

The Tennis Club Annual Awards Banquet will be held at the Casa di Fior on Friday evening, October 24.

Ladder and tournament awards will be presented to the outstanding performers of the 1975 season at the awards banquet.

All members planning to attend the awards banquet are urged to send their checks to the following committee members no later than Monday, October 6, in order to allow time for completion of necessary arrangements.

Last name A-L, Eleanor Anderson, 36 Hathaway Rd.; M-Z, Sandra Durling, 3 Woodland Drive.

## Route 129 Alternative

From Front Page

ed. The ultimate decision, the Planning Board was told by Walter Gustafson, one of those present, would be by the Commissioner of the (state) Department of Public Works. The decision will be about nine months from now.

Two of the proposals got a lot of discussion from the Planning Board.

The one to widen Lowell and Main Streets has, as part of the proposal the building of a "viaduct" through what is now Wilmington Square. The viaduct would start on the westerly side of the Wildcat Railroad, and go through to some point easterly of the present Wilmington Square. There would be room for the parking of cars, under the viaduct, the planning board members were told, during one part of this discussion. In another part they were told that the Burlington Avenue traffic is quite heavy, averaging 2100 cars an hour, during peak hours.

Traffic, if such a viaduct was put in, would be at "Level C" the Planning Board was told - which means being controlled by traffic lights, with sometimes a delay during peak hours. The traffic lights would be "progressive," meaning that traffic would follow as the lights turned green, in succession.

One of the plans that had been discarded would have crossed to the west of Wilmington Square, and gone by a big "loop" to a point where it would cross Woburn Street at Eames Street, and then continue on to an even bigger cloverleaf at Route 93. The Casa di Fior would certainly have to be moved, if such a route were chosen.

The planning members and Mr. Gillis noted that in a large part of this proposal there was a duplication of the proposal made several years ago by Christian Bachman, and called at that time the "Backman Highway." Mr. Bachman is now the chairman of the Wilmington Finance Com-

mittee.

Bachman's proposal was to build a highway that would skirt the northerly edge of the southern industrial zone. So did the proposal that had been made and discarded by the engineers.

Another proposal that was discussed was the idea of making One Way roads, of Main Street, and the new Route 129. One road would be for traffic going northerly and westerly, and the other being for traffic going southerly and easterly.

Walter Gustafson was one who spoke up against such an idea.

After several hours of discussion the Planning Board, on motion of Arthur Harding, voted unanimously to endorse the proposals for further study of just four routes, No. 1, No. 8, No. 10, and No. 15.

## Decision is still months away

The ultimate decision on the route to be taken by Alternate Highway 129, decided by Wilmington years ago, will not be decided by the state until about nine months from now.

The state planning committee is now in "Task One," to study as many proposals as anyone can make. "Task One" will end in about six weeks, and then go into Task Two.

Task Two is to study the four routes recommended by Task One, and in more detail. The engineering and environmental implications would be developed on a "fine scale." The task will take six months.

A tentative date for a public discussion of Task One has been set for October 29, in the public library.

The final "public discussion" will be in about nine months, when Task Three is drawing to a close.

Jeffrey J. Roach, 12-year-old son of Mr. and Mrs. Roach of 119 Baldwin Rd., Billerica has been elected president of the Tewksbury 4-H Photo Club for the 1975-76 season.

Liborio A. Salamone, adult leader of the group introduced Jeffrey to members and guests as the Tewksbury 4-H Photo Club began its 10th season.

**Bicentennial fair**  
St. Thomas Parish will hold a Bicentennial Fair in the parish Youth Center on Saturday, November 15, featuring the usual tables of sewing, knitting, food, Christmas specialties and plants.

The ladies are working hard every Wednesday morning on the arts and crafts for this annual event, and would be happy to welcome anyone who would care to join them at the Youth Center between nine o'clock and noon on Wednesdays. Mary Whitney and Mary Morris are serving as co-chairmen of the event.

**Admitted to Bunker Hill**  
Two Wilmington students, Catherine J. Morrisette of 11 Dandant Drive and Brandon D. O'Malley of 8 Wilton Drive have been admitted to Bunker Hill Community College in Charlestown for the fall semester.

**Eddie Allen hospitalized**  
Eddie Allen, son of Mrs. Evelyn Allen of Nickerson Ave., Wilmington, is currently a patient at Winchester Hospital where he is undergoing treatment. Eddie is a senior at Shawsheen Tech. His room number at Winchester is 407.

**DISCUSS BLOOD DRIVE:** Frank Colontino, vice president of the Tewksbury Rotary Club, discussed with Red Cross and other blood drive officials the possibility of the club's sponsoring a blood drive in the town. From left are Terry Stephens, Colontino, Gaye D'Agata and Sally Davidson.

**Gladly moved over**  
The Casa di Fior of Wilmington, plus over 57 other area businesses' total donations, including function room, flowers, food, music, etc., contributed to the success of the first annual dinner-dance of the Friends of the Jimmy Fund, Inc. last Friday evening at the Casa di Fior.

An interesting sidelight - because the Casa di Fior function room was filled to capacity with enthusiastic supporters of the Jimmy Fund, most of the Fiorenza family (owners of Casa di Fior) spent the first few hours of the social attending a family wedding reception (a cousin and long-time

employee) held in another local function room!

With the attitude that "you can't win them all," the Fiorenza's gladly moved over to make room for the Jimmy Fund supporters.

**kitten and jacket**  
A jacket was found on the lawn of the First Baptist Church in Wilmington in the area of the refreshment table which was set up for the walkers in the Walk-a-Thon last Sunday. The owner may claim it at the Church office.

A lonely little black and brown female kitten was found in front of the Wildwood School on Tuesday. She is wearing a white flea collar, and would love to return home - call the school - she's waiting.

**Return from Florida**  
Three Wilmington girls and a companion from Lowell recently returned home following a "fantastic" week's vacation in Florida. Susan Downs of Woburn St.; Liz Godzyk of Parker St.; Diane Irwin of Glendale Circle, all of Wilmington and Denise Boutin of Lowell visited Orlando and Daytona Beach before returning home. Among the many highlights of the trip was a visit to Disneyland.

The Wilmington girls are all recent graduates of WHS.

**From the fire log**  
Between Saturday, September 20 and Friday, September 26, members of Wilmington's Fire Department answered a total of 32 calls for assistance including: four building fires; six car fires; one service call; 14 ambulance runs; four false alarms and two calls for mutual aid.

# Ball-control key Wildcats grind- up Lawrence

# SPORTS

The Wilmington High School football team overcame a mistake-filled first half - thanks to a stingy defense and a Lawrence clipping penalty, to win their second straight game handily 14 - 0. The contest postponed Saturday due to poor field conditions, was played on a beautiful Sunday afternoon at Lawrence.

Coach Fred Bellissimo's outfit is now 1 - 0 in MVC play while the Lancer record fell to 0 - 2 in conference battles. Lawrence has yet to score a touchdown in MVC action.

Coach John Kelleher's team was blanked by Austin Prep 16-0 in the MVC opener.

The Lancers looked to be getting the jump on the Wildcats in the opening period as on Wilmington's first offensive series quarterback Jim Stewart was sacked by the charge of Lancer Ron Gereau, forcing a punting situation. On the first play following Stewart's punt, Lawrence's mini-back Mike Delaney burst over the left side at his own 17 and streaked in for what appeared to be an 83 yard touchdown run and a Lancer lead.

To the amazement of the Lawrence coaching staff on of their linemen attempted to complete a needless block as Delaney pulled away from the pack. The block was ruled a clip - an obvious call - and it brought the leatper back to the Wilmington 40.

Lawrence managed to move down to the 36 on runs by Tom Hambleton and Tony Grillo sandwiched around a batted away pass by Wildcats' Rick Aprile and Larry Peabody. The foolish clip seemed to disrupt the Lancer offensive movement while giving Wilmington's defense a chance to settle down.

Wilmington mounted a late first quarter rush that was to end with a mistake in period two. Starting from their own 27 the Wildcats began moving steadily on the ground paced by the head-down charges of fullback Jack Moran. Halfback Bob Sferazza picked up a key first down on an inside handoff and Stewart connected via the air with Larry Peabody as the flanker made a nice catch.

Wilmington kept moving as the front wall of Ray Gaud, and the Rounds boys Chris and Dave, were controlling the Lancer defense. But after Stewart and Moran runs brought the ball to the Lawrence 13 Sferazza had the pigskin roll off his thigh on an inside handoff and little Delaney pounced on it to kill the drive at his team's 12 yard line.

The Lancers seemed content just to kill the Wildcat momentum and didn't move on offense after the fumble recovery.

Wilmington got the ball back quickly and had good field position at the Lancer 42 but it was a case of "you take it - I don't want it" as Stewart was intercepted by linebacker Steve Clifton in front of the Wildcat bench. A third and 32 situation on the ensuing Lancer series forced a third down quick by Delaney. The strategy worked as the ball rolled all the way down to Wilmington's six yard line.

Moran brought Wilmington out of the hole temporarily with a ramble to his 25 but halfback Sferazza fumbled a pitch from Stewart as Lancer Mike Regan recovered on the Wildcat 25. The offensively inept Lancers once again couldn't cash in on the mistake as a Delaney option failed and a screen was smelled out nicely by Dave Rounds at the 37 yard line. So instead of moving forward on

this series Lawrence was moving progressively backwards.

Wilmington ended the first half with a desperation Stewart bomb being picked off by Tony Grillo deep in Lancer territory.

The Wilmington ball-control pounding would finally pay off half-way through the third quarter.

Moran was running through gaping holes in the Lawrence defense as his team survived a pair of penalties to march from their 35 yard line to the opposition's 34. Stewart then unleashed a pass that found Mike Mazzola in the end-zone. Mazzola took in the aerial between two Lawrence defenders at the 5:30 mark of the period. Ricky Aprile booted the extra point and the 7 - 0 advantage loomed large against the mistake-prone Lawrence Lancers.

Aprile then came back to intercept a Hambleton pass at the Lancer 29 on the second play after the Mazzola score. The Wildcats proceeded to march in on four plays including a 22 yard scamper by Mark Esposito that set the touchdown up at the seven yard line.

a Moran bull-run and a Stewart dive set up a Stewart sneak for the touchdown. The Lancers ran well at the close of the period as Tony Grillo finally found some room to roam.

A bad pitch early in the final quarter killed any chance of a Lawrence comeback.

Grillo bobbled the ball at the Wilmington 49 and big tackle Gary McDonald recovered for WHS. Lawrence mounted another drive that ate up precious time before quarterback Hambleton fumbled the ball and any Lancer chances

WILDCAT MARK ESPOSITO: Ran well against Lawrence. The Wildcats won handily.

WHS CHEERLEADERS: Give their team a "kick" to get them moving. Wildcats moved enough to defeat weak Lancers.

## October 4 preview

## Andover, Tewksbury should romp

Making a prediction on a Merrimack Valley football game can be a risky and sometimes embarrassing business, but here go the picks for the October 4 battles...

**Tewksbury at Lawrence...**The Lawrence Lancers have not scored a touchdown in two MVC games - Austin Prep and Wilmington have blanked the Lancers and neither is the defensive football team that Tewksbury is. The home club has a little lefty quarterback with some scrambling ability in Tommy Hambleton and a fine all-round football player - Mike Delaney. Delaney is a halfback and handles the punting chores. Look for Lancer Coach John Kelleher to utilize fullback Tony Grillo more against TMHS. Grillo ran well in spots against Wilmington.

Lawrence had a lot of hurting players not in uniform which doesn't improve their chances any.

The defense in Lawrence can be tough but mistakes at key moments will hurt. Look for the Redmen to come right at this team

on the ground.

a good workout, but the Redmen will win handily by 14 points.

**Chelmsford at Wilmington...**This one should be a real tong war, it always is when these teams meet. Chelmsford is coming off a tough loss to Dracut after blasting Lowell in their opener. They have a good running quarterback with Jeff Hoffman at the helm and a solid defensive club. The Wildcats are tough against the Lion strength which is the run.

Gary McDonald will provide some stiff competition for that big Chelmsford offensive wall. Both teams have big bruising fullbacks. John Baraldi (Chelmsford) and Jackie Moran (Wilmington) are the big backs to watch.

A tough game with Chelmsford prevailing by six points.

**Austin Prep at Billerica...**The loser of this game could wind up battling the Methuen Rangers for the cellar spot in the MVC.

Billerica has the edge on defense but Austin has the offensive edge thanks to star quarterback Chuck

Gaudet. Austin blanked Lawrence 16 - 0 in their opener and were then blasted by Andover 36 - 5. Billerica's defense will prevail in a mild upset. Indians by four points.

**Andover at Methuen...**Please Golden Warriors, have mercy on the still weak Methuen Rangers.

Maybe they will play the junior varsity team. If the varsity plays the score could be astronomical. Methuen has been shutout by North Andover 36 - 0 and by Lawrence Central 26 - 0. Andover is a better team than both North Andover and Lawrence Central, so disaster looms for Methuen. Andover by 26 points.

**Lawrence Central at Dracut...**This could be the game of the week in the MVC. Ed Murphy's Dracut team once again is tough defensively. The Middies held Chelmsford to nine points and they will be tested by a tough Central offense paced by halfback Pat Welch. Central will impress and gain a victory - but nothing comes easily against Dracut. Central by 10 points.

## WHS cross-country breezes

The Wilmington High School Cross Country team buried hapless Lawrence Monday afternoon in distance action. The final score stood 15-30 in the Wildcats' favor sophomore Dave Spring took first, followed by co-captain Barry Foster, Chris Burke, Len Daley, co-captain Tony Gravellese, Mickey Grant, Greg Hancock, and Keith Roueche. It was a day of complete domination by coach Frank Kelley's Wildcats.

**Mite A's...**Opened their season by defeating Woburn 2 - 1 in a fast moving game.

Wilmington's first goal was scored in the first period by David Fuller with assists going to Robbie Palmer and David Lux. Steady checking and good passing by Ralph Newhouse, Billy Woods, David Richards, Scott Poole, David Buzzell and Kenny Richter provided the opportunity for Robbie Palmer assisted by David Fuller to score the second goal.

Good goal tending by Brian Surrrette and strong defensive play by Danny Kane, Tom Craig, David Needham and Donny Kostantino kept Woburn off the scoreboard until late in the third period when they scored their only goal.

**Pee Wee B's...**The Wilmington Pee Wee B's opened the 1975-76 season against the Reading II team. Coach Don Macdonald's squad completely dominated the game, winning 8 - 1. The Wildcats out shot the Reading lads 40 - 6. John Cushing continued the hustle of last year, scoring two goals, one of which was unassisted.

Big Bob Williams muscled around in the corners and ended up with a goal and two assists. Bill Robinson, playing his first game on wing, Darrel Macdonald, Frank Newark and Mike Moran each scored a goal and an assist.

George Boudreau scored the other goal and Ron Greenberg, Chuck McNeil and Ted Moran each had an assist in the mid morning contest.

Bob Magliozzi, Jim Conti and Gordon Smith skated their lanes and provided solid defense for goal tenders Bill Redler and Jeff Lux.

Bill Robinson led the Wildcats in their second encounter, scoring four goals with line mate Mike Moran having one goal and two assists and Chuck McNeil notching

three assists. A true team effort with the goals and assists spread out among 10 members of the squad, duplicating the effort of the previous game. The Pee Wee's managed to out shoot Stoneham 39 to 11, a strong indicator of their dominance in the game.

The next action for Wilmington Pee Wee B's will be this Saturday against Westford and on Sunday the B's travel to Tyngsboro to face the Wilmington Pee Wee A team. The two teams face each other in the opening of this out of town league.

**Squirt A's...**Led by the outstanding goal tending of Ed Laquidara pulled off their first shut out of the season by a score of 4 - 0 against a stubborn Lowell Team. Eddie was never better in net as he pulled down 16 shots, four of which had goal written all over them, to stop all Lowell's offense.

Ed's efforts were aided by another strong defensive effort on the part of John Palmer, Paul Brady, Kevin Cullivan and Dan Allard.

Offensively, Wilmington poured 36 shots at the Lowell goalie. Jeff Brown popped in the first and winning goal taking a rebound off the stick of Ed Harding and Dan Allard at 6:34 of the first frame. Jeff and his team mates Ed Harding and John LaLiberte accounted for 12 shots, but lady luck turned her head on all but one. John Robson, Jim Smith and Kevin Smith were more fortunate as they each scored with Kevin also picking up two assists, Robson one and John Palmer one. Bob Curran, Ray Durling and Robbie O'Connell proved to be the back checking line of the day, but still managed to put seven shots on net.

The A's take on the Redmen of Wakefield this coming Sunday at 11:40 a.m.

**Squirt B's...**The B's continued their winning form by soundly beating Lowell by a score of 10 - 0. The B's jumped quickly to a 3 - 0 lead within three minutes of the first period on goals by Dan Surrrette, Eric Berger and Greg Rogers. Before the period ended Sean Lowney added another tally, unassisted.

Jim Newhouse opened the second period with his fourth goal of the season and before the period ended Greg Rogers and Dennis Moran contributed to the scoring with assists going to Michael Kidd and Sean Lowney.

In the third frame the B's struck three more times, the first by Jim Newhouse assisted by Eric Berger and Harold Cunningham, followed by Sean Lowney unassisted, and the final goal by Harry Cunningham assisted by Jim Newhouse.

The defensive unit held Lowell to six shots on net due to some good checking by Lance Sullivan and Kevin Robinson. Top notch hustle by defensemen Sten Larson, Doug Coolbirth, and Jimmy Taylor prevented Lowell from mounting any offensive attack.

The B's face Reading in a Sunday contest on October 5 at 9:20 a.m.

## Boys flag football

The Wilmington Recreation Department's Youth Flag Football League for boys ages nine through 12 got off to an excellent start Monday evening at the town park.

Some 60 boys were assigned to teams and given notice as to where their teams will practice and who their coaches will be.

Any boys ages nine through 12 interested in participating are encouraged to call the Rec. Dept. at 658-6512.

## Golden Bears fall

The Golden Bears, Wilmington's C Team defending champions, were felled by the Dolphins last Saturday, 6 - 0. This was the first defeat the Bears have experienced since coming into existence a year ago.

The Bears inability to practice during the past week was prudent in their poor offensive showing. Their best, and perhaps only successful offensive play was a run up the middle by Scotty Monse, that was stopped about four yards short of a touchdown. There the offensive bogged down and after a series of penalties gave up the ball.

Just as every cloud must have a silver lining, Saturday was no exception for the Golden Bears. Their silver lining was their defense. Shining for them was Al Molander, who, among other things prevented a touchdown by pursuing a Dolphin who had broken into the clear second downing him. S. Donley played a solid game and on one occasion on what appeared to be a sweep, he broke in, clotheslined the pail. Daryl MacDonald also played a solid game. He showed great lateral pursuit by going from his right end position across the field and downing the ball for a loss.

Wilmington's Pop Warner A team lost, 14 to 6, against the A team of North Reading, Sunday.

The defense looked good, especially Joe Costello. With a little more practice the A team may shift over into the winning line.

The B team handed a defeat to the North Reading B team, 20 to 6.

Defensively Wilmington put on a fine performance.

## Dolphins win, 6-0

The Wilmington Pop Warner C team football season officially got underway Sat. Sept. 27. The Dolphins coached by Angelo Cuozzo and Jim Bossi, won their opener 6 - 0 over the Golden Bears coached by Len Howard and Pete Smith.

The first half was 0 - 0 due to the relentlessness of both defensive teams. M. Mackey, D. Macdonald, and M. Gugliotta were stand outs for the Bears. S. Kelley with a dazzling 33 yard run, G. Boudreau with a 28 yard run and K. Mace running like a bulldozer were stand outs for the Dolphins.

The second half was played well by both teams, good tackline and blocking. M. Gugliotta, L. Barrett and D. Sullivan for the Bears made good stops on E. Olshaw who ran well for the Dolphins. G. Boudreau scored from ten yards out, for the only score of the game.

## Trojans defeat Redskins, 14 - 0

On Sunday, September 28, the Pop Warner C Team Trojans defeated the Redskins 14 - 0 following a very slow start.

With a big assist from A. Orio the defense held the Redskins at bay. In spite of frequent fumbles by the offense, C. Peabody set up R. Cawthron for the first touchdown and with Peabody running the conversion, the game was Trojans 8 - Redskins 0 at the half.

Offensively Tom McCann of the Wilmington team scored three touchdowns, and extra points were scored by Armstrong and Moran, to spur a good ground attack, mixed with some fine passes.

It was a fine team effort.

# Golden Warriors destroy Austin Prep

Andover, the Division II defending State Champions, fielding a quick, alert, and powerful grid machine, crushed the Austin Cougars by a 36 - 6 score last Saturday.

Before game predictions rated this contest as close. In order to win Andover had to stop Charlie Gaudet, mich heralded Cougar quarterback; in turn Austin had to contain the areial game of Alexander, Verette and company. Apparently the Andover boys were able to carry out their tasks. Unveiling a standout quarterback of their own in the person of Bill Alexander, the home forces ran roughshod over the visiting green and white squad.

on the opening kickoff Brian Pacheco, Austin halfback ran the ball back to his own 45. Two running plays and a quarterback sack forced Austin to kick on fourth

down. The ball was downed on their 41.

On the first play from scrimmage Bill Alexander electrified the crowd by bolting off tackle into open territory and across the goal line for a 41 yard touchdown run. Mike McCormick promptly converted as his boot split the uprights. The Warriors had struck with lightning speed.

However, the Cougars were undaunted. In the next series of plays, David Bruno, Austin fullback found gapping holes in the Andover defense as he plunged for long gainers. Austin's sustained drive carried 65 yards and culminated in a score when Bruno registered from seven yards out. A Gaudet to Brian Pacheco pass failed to post the conversion points. Austin had retaliated with a touchdown of their own. The

first period ended with the home forces holding a thin 7 - 6 lead.

The jubilation of the Cougar fans was short-lived. Early in the second period, Alexander opened up his bag of tricks, running and passing for appreciable gains. First he ripped off 20 yards on a keeper play, next he hit Glenn Verette for a 25 yard pass completion. Following two running plays, Alexander carried in from the one yard line for his second score of the afternoon.

Austin's offense failed to respond in the next exchange. Alexander seizing the initiative followed the same pattern in driving for a third Andover score. This time the final payoff was on an 18 yard scoring pass to Farnum. Two more points were on the scoreboard when that man again, Alexander, passed to Glenn

Verette. Andover had the momentum going as the first half ended with a score of 21 - 6.

Early in the third period, it looked like the Cougars would slow down the big A machine. Larry Comerford (Wilmington), playing a strong defensive game for Austin, broke through to nail Andover backs for losses and even force a fumble. Despite Comerford's efforts, the Cougars were unable to get their offense untracked. They fumbled away the football after two good runs by Gaudet and a pass completion to Steve Burke.

Taking advantage of this lapse, Andover's ground game resulted in a touchdown late in the period. Louis Pizzaro scored their fourth touchdown from 12 yards out. The conversion kick by Mike McCormick was good.

In the final period with Mark Govoni at quarterback the Cougars battled gallantly. They moved the ball but were unable to sustain a scoring drive. To add insult to injury an Andover sophomore quarterback, Dan Walsh, uncorked a long scoring pass to Ricky Collins. The play carried 70 yards and rolled up another six points. The same combination connected for the conversion points.

for the Austin Cougars, it was a dark day and one they want to forget. Coach Klimas must rally his forces for the next encounter

versus Billerica. If past performances are any criteria, the Austin Cougars will rebound with vengeance.

## Bits & Pieces

### Nearly 400

Three hundred and ninety-six people attended the social at Elks Hall in Tewksbury last Saturday evening. to the credit of Maureen Riddle and her committee, this was 130 more than attended last year's event, and next year's is already in the planning stages.

Proceeds of the evening's dine and dance social will be used to benefit the Eastern Mass. Chapter of Sudden Infant Death of which Mrs. Riddle is an active member.

Numerous prizes were awarded during the evening and among the winners were: Bob Horgan and Donna Mackey who were awarded tv sets; Angela Callahan who won a radio; centerpieces went to Celia Pilacto and Eileen Richards; a lamp was presented to Sara Scott and a Sarah Coventry jewelry set went to Mrs. Fred Baldwin.

Many other prizes were also awarded, including an oil painting of Rockport during a storm which was donated by well-known Tewksbury artist Gertrude Bolduc. Mrs. Bolduc's painting was won by a guest from Somerville. Her works have adorned the walls of Elks Hall for some time.

### Among the 213

Winchester Hospital recently conducted a Bicentennial Blood Drive in which 213 staff members, friends and visitors signed up to donate blood. Among them were Barbara Jo Kelley of Loumac Rd., Wilmington; Mrs. Barbara Plummer of 7 Edwards Road and Mrs. Elizabeth L. Silvers of 327 Salem Street.

### Here to stay

Louie and Fran Nolan of Jones Ave., Wilmington returned home last week following an enjoyable vacation at Miami Beach, Florida where they stayed with Louie's father, William Nolan formerly of South Tewksbury.

The elder Mr. Nolan who retired to Florida approximately 18 years ago returned to Wilmington with his son and daughter-in-law and will now be making his home with them on Jones Ave.

Louie is foreman of Wilmington's Cemetery Department where he returned to work on Monday.

### He made it

Wilmington Rotarians pledged \$10 a mile to Al O'Conner who planned to represent the group in the recent Community Fund Walk-a-Thon. Al made the entire 12 miles and Rotarians made good on their pledge - \$120 for the Community Fund.

### Delightful response

A local motorist, approaching Wilmington Plaza last Saturday could see that the red Volkswagen had been "waiting a bit" to emerge into the Main St., traffic, and stopped to allow it to do so.

As the young, female driver pulled into line, she held up a sign to the view of those who had stopped for her - a sign approximately a foot long and four inches high, painted yellow and bearing large red letters reading, "thank you." A delightful response to a simple courtesy.

The chances are pretty good that the young lady had another sign on the seat beside her too - perhaps one she uses for those whom she considers less than courteous drivers.

### \$2000 richer

A 1975 graduate of Wilmington High School is \$2000 richer this week than he was last. Mark Wagstaff of Pineridge Rd., won the money playing the mgame.

### Lillian is home

Lillian Perdicaro of 14 High St., Wilmington recently returned home from Choate Memorial Hospital where she had been confined for over a week.

### Volunteers honored

Ninety-six teen-age volunteers who have brought help and cheer to patients at the New England Rehabilitation Hospital in Woburn, during the past summer were honored last night by hospital officials including Edward LeRoux, president of the 200-bed facility and Mrs. Patricia Krusen, director of activities.

Among the honored 96 were Susan Foley, Beth Ritchie and Jeanne Terricone, all of Wilmington.

### Kathy MacDonald

Kathy MacDonald of Westdale Ave., Wilmington is currently a patient at Winchester Hospital where she underwent an emergency appendectomy on Monday. Kathy is a senior at WHS. Her hospital room number is 409.

### Bob Newton hospitalized

On Tuesday of this week, Bob Newton of Winter St., Wilmington was taken to Choate Memorial Hospital under emergency conditions. Mr. Newton is still a patient there.

### They appreciate!

In spite of a drizzly, damp evening, the Booster button sale last Thursday night was a tremendous success. All High School sports teams were well represented and they were courteously received by Wilmington residents. The entire group is more than grateful and appreciates the support of all those who purchased buttons.

They advise - now that the "button-holders" are officially Boosters, they shouldn't be bashful about attending meetings, the next of which will be Monday evening at 8 at the Mildred Rogers School.

### Thanks a million!

A great big "thank you" to all who have contributed items and leads to this column to date and to those who haven't as yet - "what are you waiting for?" All items are important and greatly appreciated. Call 658-2346 days or 658-2907 nights and weekends. Ask for BeeDee.

## Congregationalists plan supper, fair

Tewksbury Congregational Church will have a harvest supper and fair preview Saturday, October 18, 6:30 p.m. at the church. Advance orders of fair items will be taken.

The menu will consist of roast turkey with all the trimmings. Prices are \$3.50 for adults, \$1.50 for children under 12 and a \$10 family price limit.

For reservations, call 851-9411 from 9 a.m. to noon or make them at the church on Sunday. The deadline for reservations is October 15.

## Wilmington Camp Fire news

The first L.S.O. meeting of the season, for Wilmington Camp Fire leaders was held on Thursday, Sept. 25 at the Wilmington Public Library.

Leaders from previous years were present to welcome the new leaders to the organization. The format for the year and the recreational calendar were decided at this time.

The first affair for Camp Fire, will be a cake sale at the end of October to help raise funds for the organization. The date and time will be given at a later time.

The Adventure Camp Fire Girls in groups of Mrs. Julio Baptiste, Mrs. Norman LaBossierre and Mrs. Raymond Piretti, will be attending a program on baby sitting at the New England Memorial Hospital in Stoneham for a period of four weeks during October. The girls will be qualified registered baby sitters upon completion of the program.

The next L.S.O. meeting will be held on Wednesday, October 22 at the library conference room. Baby sitting will be provided for pre-schoolers for a fee of twenty-five cents per child. All leaders are urged to attend to be informed of upcoming events.

## Library book drop moved

The Wilmington Memorial Library would like to notify its patrons that the book drop which was kept on the south side of the building has been moved to the front of the building.

The book drop is for the convenience of library patrons returning books during those hours when the library is closed.

## Bruce E. O'Connell has enlisted

Bruce E. O'Connell, brother of George O'Connell, of 36 Marion Street, Wilmington enlisted recently in the United States Air Force, according to SSgt. Paul Anderson, Air Force Representative in the Wilmington area.

Shortly after the enlistment ceremony, Airman O'Connell departed for Lackland Air Force Base near San Antonio, Texas, where he will attend the Airman's School of Military Science. After this training he will be assigned directly to an Air Force Base or to a technical school for specialized training in the field of Aero-space Mechanics.

## Another exit to Route 93?

Town Engineer Bob Higgins has had occasion during the past few weeks to attend two meetings in Boston, having to do with the planning of highways. The first was a meeting of the staff of the Metropolitan Area Planning Council (MAPC) and the Central Transportation Planning Staff (CTPS).

It was during this meeting that the subject of an additional entrance to Route 93, from the North Woburn - South Wilmington area, came up. Mr. Higgins, who has seen many such proposals, skeptical.

But, he reported to the Planning Board Tuesday evening, a few days after that meeting he was advised by one of the assistant planners that:

1. There are a number of communities in Massachusetts who are seeking to get such an entrance onto a Super-Highway.

2. The assistant said that there was a good chance that the Wilmington/North Woburn proposal might become a "prototype," for a detailed analysis, and a possible new entrance to Route 93.

## Janice Ramsdell to wed Clifford Downs

Mr. and Mrs. Almon Ramsdell of Wildwood St., Wilmington have announced the engagement of their daughter Janice to Clifford Downs, son of Mr. and Mrs. Forrest Downs of Taplin Ave.

## Vincent Ruggiero in Deep Express

Navy Machinist's Mate Third Class Vincent J. Ruggiero, son of Mrs. Leita B. Ruggiero of 169 Andover St., Wilmington participated in "Deep Express," an annual Nato exercise in the Eastern Mediterranean Sea.

He is a crew member aboard the guided missile destroyer USS Mitscher, which was one of 17 U.S. Sixth Fleet ships involved in the multi-nation exercise.

The U.S. forces joined with air, ground and seagoing units from Italy, Turkey, Belgium, The Netherlands, West Germany and the United Kingdom, to test the operational readiness and capabilities of defense elements on

Nato's southern flank.

The exercise included defensive operations by the combined Nato ground forces against a simulated amphibious assault west of Istanbul, Turkey.

The Mitscher is homeported at Norfolk, Va.

## Pack 59 has ten new members

On Friday, September 26, Pack 59 held its monthly pack meeting at the Wilmington Methodist Church, Den Two, under the direction of Fran Mather conducted the opening flag ceremony.

This was followed by a Bobcat Ceremony at which time the following 10 boys became new members of the Pack: Alan Tobey, Billy McHugh, Tommy McHugh, John Tully, Steven Collins, Sean White, Michael Hull, Ricky Molander, Scott Pupa and Keith O'Donoghue. The boys were awarded the symbolic feather and a Bobcat badge.

Other awards and advancements included: a service star to Shawn Cushing; a silver arrow point to Eric Marshall; and the Webelos colors to David Warren, David Webster and Jeff Brown.

Ed Cars, who has served as cubmaster for the pack for the past five years announced that he will retire from the position and that he would be succeeded by Joe Hartka who has been active on the pack committee for the past several years. Ed wished Joe success in his new venture.

The committee chairman, Don Staffiere, announced that the pack's candy sale was to begin the following day and asked for continued good support by the cubs, their parents and neighbors. This will be the only fund raising activity required to support the whole year's program if it is successful.

Other announcements concerned the pack's participation in the School Nite for Scouting on October 1; the Webelos' upcoming overnight camping trip on October 18 and 19; and the Halloween costume party to be held at the October pack meeting.

A short parents' meeting was held at which time the parents' involvement in the cub program was discussed. A parent talent survey was taken to determine who could help in the program and in what capacity.

A complete evening's activities was highlighted by a father and son golf putting contest which resulted in the boys winning a resounding victory over their dads.

## Ladies Slimnastics

The Wilmington Recreation Department will sponsor ladies slimnastics and physical fitness programs for women, ages 18 and over.

The 10 week program will begin on Wednesday evening, October 8, from 7:30 to 9:30 p.m. in the Shawsheen School gym and continue on Wednesday evenings for its duration.

WHERE GROWS THE NODDING TRILLIUM: Frank Tuttle, Naturalist' Boy Scout, Audubon Guide, was host to members of the New England Wild Flower Society, a week ago, and took them for a tour of the Town Forest, off Main Street, where Frank has identified

several dozen species of ferns. Frank showed many flowers, almost unheard of by the average individual, and parts of the old Middlesex Canal. In the photo, Frank has his back to the oak tree, and is wearing a white cap. Yes, that's a fern in his hand.

## Diane Burke is Bride

St. Thomas of Villanova Church provided the setting for the wedding of Diane Elizabeth Burke, daughter of Mr. and Mrs. John R. Burke of 513 Woburn St., Wilmington, and David William Stanley, son of Mrs. Mary Stanley of 17 Willow Street, Lowell.

The Rev. Francis Mackin officiated at the four o'clock double ring ceremony on Sunday, September 21. A reception followed at the Hillview Country Club in North Reading.

Given in marriage by her father, the bride wore an empire gown of white organza over taffeta which featured a high neckline and long sheer puffed sleeves. Bands of Venice and chantilly lace enhanced the fitted bodice and bouffant A-line skirt, which terminated in a chapel train with bustle effect at the back. A deep hemline ruffle bordered the skirt. She wore a tiara crown with pearls and rhinestones set amidst flowers caught to a floor length imported illusion veil. She carried an arch shaped cascade of white roses, stephanotis, baby's breath, miniature carnations with a touch of turquoise.

Mrs. Kathryn Heider of Lawrence, a close friend of the bride was matron of honor. She wore a blue knit sleeveless jersey gown with V neck, empire waist and matching floor length cape. She carried white colonial basket of fall flowers. The bridesmaids were Mrs. Jacqueline Sapp of Wilmington and Mrs. Ann Bridgman of Scituate, also close friends of the bride. They wore identical gowns as that of the matron of honor in bottle green, and carried colonial baskets of fall flowers.

The flower girl, Tracey Rhine of Lowell, neice of the groom, wore a copy of the matron of honor's gown and cape and carried a basket of fall flowers.

Patrick Cleary of Wakefield, nephew of the bride, and Stephen Pickard of Lowell, nephew of the groom were ring bearers. The best man was Kenneth Stanley of Lowell, cousin of the groom. Ushers were David Burke, brother of the bride, and Michael Stanley,

brother of the groom.

The mother of the bride wore a long, blue, jersey sleeveless gown with sequins at the empire waist and a matching bolero jacket, bordered with sequins. She had a corsage of tea rose buds and stephanotis pinned to her blue pocketbook. The mother of the groom wore a sea green polyester and lace long gown and a corsage of miniature carnations and stephanotis.

The guest book was in charge of Mrs. Leslie Eldridge.

The bride was graduated from Wilmington High School and Peter Bent Brigham Hospital School of Nursing where she is presently employed.

The groom is a Tewksbury High School graduate, served two years with the U.S. Army and is currently employed at the West Roxbury V.A. Hospital.

Following a wedding trip to Cape Cod, the couple is now residing in their newly purchased home at 5 Matthew Road, Billerica.

## UNICEF Committee plans Halloween

Last week members of the Tewksbury Interfaith UNICEF Committee met to kick off plans for the upcoming Halloween trick or treat collection to be undertaken by the children throughout the town. The annual event has proven very popular since first sponsored by the Interfaith Social Concerns Committee some years ago.

Members of the four churches in Tewksbury who make up the Interfaith feel that this year has been a catastrophic one for the world's children. The international economic crisis, food scarcity, and crop failures in some regions have seriously affected the health and nutrition of millions of children.

Added to this are upheavals going on in the Indochina peninsula

with risks to children and mothers caught up in the vast population movements in Vietnam and Cambodia.

For these reasons, this year all citizens are being asked to lend a hand in this high project in order to raise the necessary funds for those children who are in such great need.

During the next few weeks remaining, contacts will be made by the Tewksbury Interfaith UNICEF Committee with the town selectmen, police officials, school authorities, the press, and those who have helped so much in the past. Cooperation from all who share in helping others will guarantee that Trick or Treat for UNICEF in 1975 is going to be the best ever, according to the committee.

## Planning Board will hire consulting firm

The problem of what to do with the area through which a new By-Pass might go, for Route 129 has been bothering the Wilmington Planning Board in general, and member Lou Maglio in particular for the past several weeks. It became the subject of a lot of discussion, Tuesday evening, with Maglio holding out for such a study.

Members of a group which included planners and others from the State DPW and from the Boston firm of Barnes & Jarnis advised against such a study, Tuesday evening. They told the Plan-

ning Board that they have not yet decided on what the ultimate alternative by-pass to Route 129 will be, and felt that study on any particular proposal would not be worth while under such circumstances.

Maglio argued that the point was to have ideas ready, when the time came that a new by-pass was confirmed.

The vote was unanimous. The Planning Board plans to write up some specifications next week, and then, for two weeks, it plans to interview certain firms of planners, to see who will do the work.

## Wilmington Senior Set

On October 1, the seniors of Wilmington will be celebrating the second anniversary of the Senior Citizens' Center at Wilmington Plaza. Seniors are more than grateful for the donation of the building, heat and lights by the owner.

The Center began on October 1, 1973 at the location of Dr. Horning's old office, but in one year it grew to such a large attendance of seniors that the owner felt we needed larger quarters and moved the center a few doors down to where it is located at the present time.

The Senior program has also grown. It is now under the Council on Aging and has a budget. It recently acquired a mini bus for transportation, and the number of seniors taking advantage of the center daily has increased immensely.

When the center first opened at Dr. Horning's old office it would have an average of 35-40 people per week; presently 250-275 use the facility. The tally for one year was 11,789. The tally includes seniors

and visitors from out of state as well as local people.

It is hoped that the programs and facilities open to seniors will double again as it has in the past two years.

On October 3, the seniors will enjoy a pot luck summer at the K of C Hall at 7 p.m. The Chessmen Band will play for dancing. This celebration is to be held in observance of the center's second anniversary. Seniors are asked to bring a covered dish. Anyone wishing information, should feel free to call Nina at 657-7595.

The bowling league will begin operations this week. Senior men and women interested in bowling should also contact the center.

The next Council on Aging meeting will be held on October 6 at the center and will begin at 7 p.m. Arthur Perkins of Area III Agency in Wakefield, which takes in Wilmington and surrounding towns has been invited to act as guest speaker at the meeting. The meeting is open to the public and all seniors are urged to attend.

## Thomas Pelletier commended National Merit Scholarship

THOMAS PELLETIER: With Dr. George Eisenberg, principal of Wilmington High School.

Thomas C. Pelletier, son of Mr. and Mrs. Joseph Pelletier of 61 Glen Road, Wilmington has been named a "commended student" by the National Merit Scholarship Corporation.

Thomas is one of the 35,000 Commended Students named nationally on the basis of their high performance in the 1974 Preliminary Scholastic Aptitude Test - National Merit Scholarship Qualifying Test. Commended students represent less than two per cent of those who are expected to graduate from high school in 1976.

Although Commended Students ranked high on the PSAT NMSQT, they do not continue in the Merit Scholarship competition because their scores were just below those of the 15,000 semi-finalists.

The president of the NMSC, Edward C. Smith, has stated that the high standing of Commended Students shown their great promise, and deserves public recognition. They should be encouraged to continue their education and personal development.

## Six hundred join Rec Bowling

Next week, will mark the beginning of the Wilmington Recreation Department's third year in sponsoring its school year bowling program for local youth in grades four through 12.

The program, according to Rec. Director Ron Swasey, has experienced tremendous growth and success to where it is now probably the largest of its type in the area.

Supervising the daily program at Pleasure Lanes in North Reading will be Dale Porter, local sixth grade teacher and Peter Keene of the Rec. Department.

Parents who have not registered their children and who wish to do so should call the Rec office at 658-6512 this week.

Today, October 2, Shannon Gilligan of Middlesex Ave., Wilmington will begin her first year as a teenager.

**Old Gunners**  
A couple of old gunners have returned to the more prosaic type of life, after a reunion in Hartford, Conn.

James F. Reardon of Bemis Circle, Tewksbury, was a Gunners Mate First Class on the USS

Missouri. Delbert Hunter of Lang Street, Wilmington was a Gunners Mate Second Class. They were both serving on the ship 30 years ago, when the Japanese surrendered to the United Nations, in Tokyo Bay.

There was a crew of 3,000 on that ship, on that day, and 250 of them had a reunion, in Hartford, on the anniversary day of the surrender, Msrrs. Reardon and Hunter being among those present.

### COMMONWEALTH OF MASSACHUSETTS LAND COURT

Case No. 10921-S  
(SEAL)

Upon the petition of Dorothy Sasso, representing that Patrick F. McAuliffe was the registered owner in Certificate of Title No. 4037, issued from the North Registry District of Middlesex County; and further representing the death of said Patrick F. McAuliffe on August 8, 1941, intestate, and the administration of his estate by the Probate Court for the County of Suffolk and said Commonwealth; and further representing that William F. McAuliffe, Administrator of the estate of Patrick F. McAuliffe, sold the locus to Anna Catherine Doherty; however, a deed from the estate of Patrick F. McAuliffe to Anna Catherine Doherty was not tendered through inadvertence and mistake, Anna Catherine Doherty held said property until her death; and further representing the death of said Anna Catherine Doherty on May 29, 1974, intestate, and the administration of her estate by the Probate Court for the County of Suffolk and said Commonwealth; and praying that said Certificate of Title No. 4037 be cancelled and a new certificate issue; therefore it is ORDERED that notice of this petition be given forthwith TO ALL WHOM IT MAY CONCERN by publishing a copy of this order in the Town Crier, a newspaper published in Wilmington, in the County of Middlesex and said Commonwealth, once each week for three successive weeks against:

All Persons interested in the Estate of late Patrick F. McAuliffe, formerly of Boston, in the County of Suffolk and said Commonwealth.

And if you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objection or defense to each part of said petition in the office of the Recorder of said Court, in Boston (at the Court House), on or before the October 14, 1975.

Unless an appearance is so filed by or for you, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree or order as the Court may make.

### Mother-daughter bag-it supper, Oct. 3

Pioneer Girls start a new season this Friday evening. All girls in grades one through 12 who are interested in Pioneer Girls and their moms are invited to a Mother-Daughter Bag-It Supper on October 3 at 6 p.m. to be held in Fellowship Hall of the Wilmington First Baptist Church. Mothers and daughters are to bring their own bag supper. Punch and coffee will be provided.

The aims of Pioneer Girls are to present Christ as Saviour and Lord, to train girls to study scripture and use it in daily life; to show each girl that she is a unique person loved by God; to help her through individual and group experiences realize her potential as a person; to involve her in the activities of a local church and to equip her to reach out to others in Christian love and service.

### The Dancing World Wilmington Library

Beginning Tuesday, October 7, Wilmington Memorial Library will begin a four week art film program which includes films on dance, literature, music, and painting. The theme of the first program on Tuesday night is "The Dancing World," which includes a film with Martha Graham, the noted choreographer and modern dancer discussing dance, and members of her company illustrating their theories in a beautifully executed dance.

Another film features the name of Marcel Marceau, the great French pantomimist. Two of the films are experimental in nature, capturing the joy of movement with interesting cinematic techniques. The film program begins at 7 p.m. in the conference room of the library. Admission is free.

THE WAY THE REVOLUTION BEGAN: Herb Gosserman, a corporal in the Lexington Minutemen told the Wilmington Rotarians last week that it was a combination of clergymen, educated at Harvard, and militia officers, educated in the French & Indian War who brought about the Revolutionary War.

### Did George Westinghouse ever visit Wilmington?

Did George Westinghouse ever visit Wilmington? Mr. Westinghouse, a railroad conductor, was the man who invented air brakes for the railroads, and who founded the company now a corporate giant, which still bears his name.

Last week the Wilmington Town Crier related a tale that had come down by word of mouth, of a visit sometime after the Civil War, of George Westinghouse to what is now Legion Hall, in Wilmington, where an experiment in braking (air brakes?) was being carried on.

The story probably came from Joe McMahon or Guy Nichols, many years ago. Both were excellent raconteurs, and knew of the history of Wilmington, particularly Wilmington near Wilmington Common. Mr. McMahon was intimately connected with the Wilmington Post of the American Legion and before that, it is believed, was a member of the Catholic Club. Guy Nichols was a member of the family which was started by the Rev. Isaac Morrill, and was related to Mrs. Adams, who ap-

parently owned the old building.

It is of interest that the publication of the story of George Westinghouse evoked a letter, written that same day, by Paul Godzyk, also of Wilmington.

Sept. 25, 1975

Dear Larz:

I have read, with interest, your account in today's Town Crier of the air brakes, and the visit of George Westinghouse to Wilmington about one hundred years ago.

It is not the first time I have come across that story. It was told to me fifty years ago, when I was a six or seven year old boy, by Mr. Blaisdell. He was mowing grass, and he let me ride on his wagon. This Mr. Blaisdell was Charlie Blaisdell's father.

But Mr. Blaisdell did not refer to the place which is now the Legion Hall as the place where the little railroad was. He said it was in a building which was down on Adams Street, near the brook, the one which was the home of the Carrasco family about twenty years ago.

Thank you,  
Paul Godzyk
